## What is this product?

### Type

- This product is a class of units of the Sub-Fund and denominated in EUR. The Fund is an open-ended common fund with variable capital (*Fonds Commun de Placement* or "FCP") and qualifies as an Undertaking for Collective Investments in Transferable Securities ("UCITS"), subject to Part I of the Luxembourg law of 17 December 2010 related to undertakings for collective investments ("Investment Fund Law"), transposing Directive 2009/65/EC related to UCITS.
- As an investment fund, the return of the Sub-Fund depends on the performance of its underlying assets.

### Investment objective:

- The investment objective of the Sub-Fund is to achieve capital growth over the long term. The Sub-Fund looks to provide a strong diversification, selecting different managers, intended to help the investors to achieve the security and the return they are looking out for their savings.

### Investment policy:

- The Sub-Fund will invest mainly in units of other UCITS and/or other UCIs selected and actively managed in accordance with the following limits:  
equity funds: maximum 45%, alternative investment funds: maximum 45%, mixed funds: maximum 80%, bond funds: maximum 65% and money market funds: maximum 100%.
- The alternative investment funds class allocation will be made of UCITS (including those established as Exchange Traded Funds) fulfilling the criteria set out above, that replicate the performance of alternative investment vehicles.
- The Sub-Fund is actively managed without reference to a benchmark.
- Notwithstanding the above provisions and if justified by exceptional market conditions, the Sub-Fund may invest up to 100% of its net assets in cash and cash equivalents, term deposits, debt securities and money market instruments dealt in on a Regulated Market and whose maturity does not exceed 12 months, monetary UCITS and UCIs. There is no restriction so as to the currency of these securities. Term deposits and liquid assets may not exceed 49% of the Sub-Fund's net assets; term deposits and liquid assets held by any counterparty including the Depositary may not exceed 20% of the Sub-Fund's net assets.
- The Sub-Fund may use financial derivative instruments for hedging purposes and to a limited extent for investment purposes.

- Given the above investment objective and policy and the risk and reward profile of the product, the recommended holding period is 5 years.
- This financial product does not promote environmental or social characteristics and does not have as its objective a sustainable objective.
- The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.

**Redemption and dealing:** Shareholders may redeem shares on demand, on a daily basis, which is a bank business day in Luxembourg.

**Distribution policy:** Non-distributing shares: any income generated by the Sub-Fund is reinvested.

### Intended Institutional Investor

The Sub-Fund targets informed investors who are advised to invest only part of their assets therein. The Sub-Fund is intended for retail investors and Institutional Investors. The recommended investment horizon is approximately 5 years.

This share class is available for institutional investors.

The minimum investment is EUR 100,000.

### Term

The Sub-Fund and class of shares were incorporated for an undefined period. The manufacturer may not terminate it unilaterally. The board of directors or an extraordinary general meeting of shareholders may terminate this product under the conditions set forth in the prospectus.

### Practical information

**Depositary:** Quintet Private Bank (Europe) S.A., 43 Boulevard Royal, L-2449 Luxembourg.

**Further information:** The prospectus of the Fund and periodic reports are prepared for the entire Fund. Assets and liabilities of each sub-fund are segregated by law, meaning that the liabilities allocated to one sub-fund may not impact the other sub-fund. Shareholders are entitled to convert their shares in shares of another sub-fund/shares of the Fund, as described under "How to convert shares" section of the prospectus. Copies of the prospectus and of the last annual and semi-annual reports as well as other practical information such as the latest price for the shares may be obtained free of charge, in English, at the registered office of the Fund: 4, rue Jean Monnet L-2180 Luxembourg, Grand Duchy of Luxembourg and on the following website: [www.andbank.com/luxembourg/](http://www.andbank.com/luxembourg/).

## What are the risks and what could I get in return?

### Risks

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as 3 out of 7, which is a medium-low risk class.

### Performance scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

**What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.**

**The unfavourable, moderate and favourable scenarios shown are illustrations using the worst, average and best performances of the product over the last 10 years, by identifying, depending on the performance scenarios and as defined in the Key Information Document's EU regulation, all overlapping sub-intervals individually (i) equal in length to the recommended holding period which start or end in each month which are contained within that period of 10 years or (ii) equal or shorter in length to the recommended holding period, but equal to or longer than one year, which end at the end of that period of 10 years. Markets could develop very differently in the future.**

The stress scenario shows what you might get back in extreme market circumstances.

**Unfavourable:** this type of scenario occurred for an investment between 31 March 2015 and 31 March 2020.

**Moderate:** this type of scenario occurred for an investment between 31 May 2017 and 31 May 2022.

**Favourable:** this type of scenario occurred for an investment between 30 June 2016 and 30 June 2021.

## What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

## Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed (i) in the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario and (ii) € 10,000 is invested.

Example Investment € 10,000	if you exit after 1 year	if you exit after 5 years (recommended holding period)
<b>Total Costs</b>	<b>€ 551</b>	<b>€ 1,703</b>
<b>Annual cost impact*</b>	<b>5.5%</b>	<b>3.2%</b>

\* This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period, your average return per year is projected to be 3.2% before costs and 0.0% after costs.

## How long should I hold it and can I take money out early?

### Recommended Holding Period ("RHP"): 5 years

The RHP has been defined by taking into account the above investment policy and risk and reward profile. You should be prepared to stay invested for at least 5 years. However, you can redeem your investment without penalty prior to the end of the RHP, or hold the investment longer. Investors may request redemption of shares no later than 2:00 p.m., Luxembourg time, the business day preceding such valuation day in order to be dealt with on the basis of the net asset value per share calculated as of that valuation day. Any applications received after the applicable deadline will be deemed to be received for the next valuation day. Any cashing-in before the end of the RHP may have a negative consequence on your investment.
