US VALUE (the "Sub-Fund"), a Sub-Fund of EDMOND DE ROTHSCHILD FUND (the "Fund")

Share Class A EUR (the "Class") - LU1103303167

Management Company : Edmond de Rothschild Asset Management (France)

Objectives and Investment Policy

Investment objective: The Sub-Fund's investment objective is to generate performance by predominantly selecting North-American securities that are likely to reduce their discount relative to their business sector or the market on which they are listed.

Benchmark index: The benchmark index is will be the Russell 1000 Value Index, calculated with net dividends reinvested

The benchmark index of the Sub-Fund serves only for comparison purposes and as a basis for determining the environmental, social and governance (ESG) investment universe of the Sub-Fund. The Sub-Fund is actively managed.

Investment policy: The Investment Manager implements a discretionary strategy which aims to expose between 75% and 110% of the Sub-Fund's net assets to North American equities (greater than USD 1 billion) covering all North American listed markets and sectors. The equities selected will be denominated in US dollars or Canadian dollars, thereby exposing the Sub-Fund to currency risk of up to 110% of the net assets.

The Investment Manager will systematically include ESG factors in their financial analysis in order to select the highest-rated companies.

At least 90% of the companies in the portfolio will have an ESG rating. The Sub-Fund will have an ESG rating that is greater than that of its benchmark.

The security selection process includes a negative filter to exclude companies that contribute to the production of controversial weapons in compliance with international conventions in this area as well as companies that are exposed to activities related to thermal coal or tobacco in accordance with the exclusion policy of Edmond de Rothschild Group, which is available on its website.

The Sub-Fund classifies as Article 8(1) SFDR as it promotes a combination of ESG characteristics, although no reference benchmark has been designated for the purpose of attaining the environmental or social characteristics.

In view of its ESG strategy, the Sub-Fund promotes environmental characteristics but does not invest in environmentally sustainable economic activities. The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities, in the context of the Taxonomy Regulation.

For cash management purposes, the Sub-Fund may invest up to 25% of its net assets in transferable debt securities, Money Market Instruments and Money Market Funds.

The Sub-Fund may use financial derivative instruments to achieve its investment objective.

Up to the limit of 10% of its net assets, the Sub-Fund may invest in units or shares of UCITS or other Investment Funds.

The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.

The recommended minimum investment period is 5 years.

Frequency of share buying or selling: Every Luxembourg and France bank business day except for Good Friday, 24 December (Christmas Eve) and the days on which the French markets are closed (official calendar of Euronext Paris S.A.) and the US markets are closed (official calendar of NYSE) for orders received by the transfer agent on each NAV calculation day before 12:30 p.m. and processed on the basis of that day's net asset value.

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The definition of the risk and reward category is based on the historical performance data and/or the risk limit indicated in the Sub-Fund's investment policy. It may not be a reliable indication of the future risk profile of the Sub-Fund. The risk and reward category shown may change over time. Category 1 does not mean that an investment is risk-free. Investors should note that the Sub-Fund is not guaranteed or capital protected.

This Sub-Fund is rated in category 6, in line with the type of securities and geographic regions detailed under the heading "Objectives and investment policy", as well as the currency of the unit.

Significant risks not taken into account in this indicator:

Credit risk : When a significant level of investment is made in debt securities.

Liquidity risk : The markets for some securities and instruments may have limited liquidity. This limited liquidity could be a disadvantage to the Sub-Fund, both in the realisation of the prices quoted and the execution of orders at desired prices.

Impact of techniques such as derivative contracts : The use of derivatives instruments can infer a decrease of the asset more significant than the decrease of the invested underlying assets or markets.

Counterparty risk : Where a Fund is backed by collateral or has significant investment exposure through contracts with a third party.

Operational risk : The Sub-Fund may suffer losses due to the failure of operational processes, including those related to the safekeeping of assets.

The occurrence of any of these risks may negatively impact the net asset value.

Charges

One-off charges taken before or after you invest	
Entry charge	3.00%
