BIG DATA (the "Sub-Fund"), a Sub-Fund of EDMOND DE ROTHSCHILD FUND (the "Fund")

Share Class A EUR (the "Class") - LU1244893696

Management Company : Edmond de Rothschild Asset Management (Luxembourg)

Objectives and Investment Policy

Investment objective: The objective of the Sub-Fund is to outperform its benchmark over a 5-year investment period, by investing on international capital markets and through the selection of, among others, companies involved in technology sectors or related to advanced analytics – Big Data – technologies.

Benchmark index: The benchmark index of the Sub-Fund is the MSCI World Index, calculated with net dividends reinvested. The benchmark index will be expressed in the Class currency.

The benchmark index serves only for comparison purposes. The Sub-Fund is actively managed.

Investment policy: The Investment Manager will systematically include environmental, social and governance (ESG) factors in their financial analysis in order to select with highest-rated companies.

At least 90% of the companies in the portfolio will have an ESG rating. At the end of this process, the Sub-Fund will have an ESG rating that is greater than that of its investment universe.

Furthermore, the security selection process also includes a negative filter to exclude companies that contribute to the production of controversial weapons in compliance with international conventions in this area as well as companies that are exposed to activities related to thermal coal or tobacco in accordance with the exclusion policy of Edmond de Rothschild Group, which is available on its website: <https://www.edmond-de-rothschild.com/en/Pages/Responsible-investment.aspx>, more specifically on the Sub Fund's transparency code.

The Sub-Fund classifies as Article 8(1) SFDR as it promotes a combination of ESG characteristics, although no reference benchmark has been designated for the purpose of attaining the environmental or social characteristics.

In view of its ESG strategy, the Sub-Fund promotes environmental characteristics but does not invest in environmentally sustainable economic activities. The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities, in the context of the Taxonomy Regulation.

The Sub-Fund invests at least 51% of its net assets in securities issued by companies involved in technology sectors or related to advanced analytics - Big Data - technologies.

Between 75% and 110% of the Sub-Fund's net assets will be exposed (directly or indirectly) to the international equity markets and other assimilated securities.

The Sub-Fund may invest, up to 30% of its net assets, in China A Shares via the Shanghai Hong Kong Stock Connect program.

For cash management purposes, the Sub-Fund may invest up to 25% of its net assets in transferable debt securities, Money Market Instruments, Money Market Funds and bank term deposits.

The Sub-Fund will seek issues from public or private issuers that are rated Investment Grade at the time of purchase (i.e. which rating are higher than or equal to BBB- according to Standard & Poor's, or an equivalent rating attributed by another independent agency, or a deemed equivalent rating attributed by the Investment Manager for non-rated securities), with a short-term maturity of less than three months.

The Sub-Fund may use financial derivative instruments to achieve its investment objective and for hedging purposes.

The recommended minimum investment period is 5 years.

Frequency of share buying or selling: Every Luxembourg and France bank business day except for Good Friday, 24 December (Christmas Eve) and the days on which the French markets are closed (official calendar of Euronext Paris S.A.) and the US markets are closed (official calendar of NYSE) for orders received by the transfer agent no later than 12 :30 p.m. (Luxembourg time) one business Day prior to the applicable Value Day.

Risk and Reward Profile

←.....→
Lower risk Higher risk

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The definition of the risk and reward category is based on the historical performance data and/or the risk limit indicated in the Sub-Fund's investment policy. It may not be a reliable indication of the future risk profile of the Sub-Fund. The risk and reward category shown may change over time. Category 1 does not mean that an investment is risk-free. Investors should note that the Sub-Fund is not guaranteed or capital protected.

This Sub-Fund is rated in category 5, in line with the type of securities and geographic regions detailed under the heading "Objectives and investment policy", as well as the currency of the unit.

Significant risks not taken into account in this indicator:

Credit risk : When a significant level of investment is made in debt securities.

Liquidity risk : The markets for some securities and instruments may have limited liquidity. This limited liquidity could be a disadvantage to the Sub-Fund, both in the realisation of the prices quoted and the execution of orders at desired prices.

Impact of techniques such as derivative contracts : The use of derivatives instruments can infer a decrease of the asset more significant than the decrease of the invested underlying assets or markets.

Counterparty risk : Where a Fund is backed by collateral or has significant investment exposure through contracts with a third party.

Operational risk : The Sub-Fund may suffer losses due to the failure of operational processes, including those related to the safekeeping of assets.

The occurrence of any of these risks may negatively impact the net asset value.

Charges

One-off charges taken before or after you invest	
Entry charge	3.00%
Exit charge	None
This is the maximum that might be taken out of your money before it is invested or paid out.	
Charges taken from the Fund over a year	
Ongoing charges	2.16%
Charges taken from the Fund under certain specific conditions	
Performance fee	
The performance fee is set at 15% and is calculated by comparing the Sub-fund's share performance with that of an indexed reference asset, over the relevant Calculation Period. This fee is due even in the case of a reduction in the Net Asset Value provided that the decrease in Net Asset Value is less than the decrease in the benchmark index. The calculation method is described in the prospectus (outperformance model 2). Payable annually on December 31.	

Past Performance

Charges and fees are paid to cover the operating costs of the Sub-Fund, including the cost of marketing and distributing share classes. These costs reduce the potential growth of your investment.

Investors may obtain the actual amount of entry and exit charges from their advisor or distributor. In certain cases you might pay less.

The ongoing charges figure is based on the last year's expenses, for the year ending in March 2025. This figure may vary from year to year. It excludes performance fees and intermediary fees except entry and exit charges paid by the Sub-Fund when buying or selling units and/or shares of another UCI.

The performance fee paid for the preceding exercise closing on March 2025 represents 0.12% of net assets.

For more information about charges, including information on performance fees and their calculation, please refer to the Sub-Fund's data sheet in the Fund prospectus.

Past performance is not an indication of future performance. It may vary over time. The performance indicated does not take into account costs and fees on issues and redemptions of units, but does include ongoing charges and intermediary fees as well as any performance fees collected.

Past performances are calculated in EUR, net dividends reinvested.
BIG DATA was launched on 31/08/2015
Share class creation date: 08/2015
Benchmark: MSCI World, dividends reinvested
