What is this product?

Type

The product is a share class of the sub-fund HESPER FUND - GLOBAL SOLUTIONS, which is part of the HESPER FUND, SICAV (the "umbrella fund"), an open-ended investment company with variable capital (société d'investissement à capital variable - SICAV) of the umbrella type governed by Part I of the Luxembourg Law of 17 December 2010, as amended (Law of 2010), and thus qualifies as a UCITS. The assets and liabilities of all sub-funds are segregated by law.

Term

The sub-fund has no maturity date. Notwithstanding this provision, the sub-fund, in keeping with the articles of association, may be dissolved at any time by resolution of the management board / general meeting.

Objectives

Investment objective

The investment objective of the HESPER FUND - GLOBAL SOLUTIONS sub-fund is to achieve an appropriate increase in value in the currency of the sub-fund or share class. The sub-fund is actively managed. The composition of the portfolio is determined by the fund manager solely in accordance with the criteria laid down in the investment objectives / the investment policy, is regularly reviewed and, if necessary, adjusted. The sub-fund is not managed using an index as a benchmark.

Investment policy

The sub-fund invests its assets in all types of securities including shares, bonds, money market instruments, certificates and other structured products (e.g. reverse convertible bonds, warrant-linked bonds, convertible bonds), target funds, derivatives, liquid assets and fixed-term deposits. The sub-fund is a long/short multi-asset fund. Up to 20% of the net sub-fund assets may be invested indirectly in precious metals and commodities. More than 10% of the net sub-fund assets may be invested in target funds. The sub-fund

may employ financial instruments, the value of which is dependent on future prices of other assets ("derivatives") to hedge or increase assets.

In its investment decision-making process, the sub-fund takes into account not only financial aspects but also environmental and social aspects and the principles of good corporate governance (Environment, Social, Governance – ESG) in accordance with the ESG strategy of the management company. Article 8 of Regulation (EU) 2019/2088 and Article 6 of Regulation (EU) 2020/852 (EU taxonomy) apply to this sub-fund. ETHENEA Independent Investors S.A. has signed the UN PRI (UN-supported Principles for Responsible Investment). Detailed information on the management company's responsible investment principles and the naming of sustainability rating agencies used can be found at www.ethenea.com.

Dividend policy

Income generated by this product is distributed to investors.

Subscription and redemption

Investors may, in principle, redeem their shares on any banking day in Luxembourg, with the exception of 24 and 31 December. The redemption of shares may, in due consideration of investors' interests, be suspended if this proves necessary in exceptional circumstances.

Intended retail investor

The fund is aimed at all types of investors who pursue the goal of asset accumulation or asset optimisation and wish to invest in the medium to long term. They should be able to bear losses up to the amount of the capital invested. The fund shall promote environmental and/or social characteristics in accordance with Article 8 of Regulation (EU) 2019/2088.

Depository

The fund's depository is DZ PRIVATBANK AG, Luxembourg branch, whose registered office is at 4, rue Thomas Edison, L-1445 Strassen, Luxembourg.

What are the risks and what could I get in return?

Risk indicator

Lower risk

Higher risk

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The risk indicator is based on the assumption that you will hold the product for 5 years.

If you cash in the investment early, the actual risk may differ significantly and you may get back less.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as 3 out of 7, which is a medium-low risk class. This rates the potential losses from future performance at a medium-low level, and poor market conditions are unlikely to impact our capacity to pay you.

Please be aware of currency risk if your reference currency differs from the currency of the product. You may receive payments in a different currency, so the final return you will get depends on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.

Other risks not included in the risk indicator may be materially relevant:

- Liquidity risk
- Operational risk

Please see the prospectus for further information.

This product does not include protection against future market developments, so you could lose all or part of the capital invested.

Performance Scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate and favourable scenarios shown illustrate the worst, average and best performance of the product and an suitable benchmark over the last ten years. The markets could develop in an entirely different way in the future.

Recommended holding period:		5 years	
Example Investment:		10,000 EUR	
		If you exit after 1 year	If you exit after 5 years
Scenarios			
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.		
Stress	What you might get back after costs	7,520 EUR	7,120 EUR
	Average return each year	-24.80%	-6.57%
Unfavourable	What you might get back after costs	8,710 EUR	9,490 EUR
	Average return each year	-12.90%	-1.04%
Moderate	What you might get back after costs	10,170 EUR	11,610 EUR

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product performs, if applicable. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- 10,000 EUR will be invested.

	If you exit after 1 year	If you exit after 5 years
Total costs	527 EUR	1,772 EUR
Annual cost impact (*)	5.3%	3.0% each year

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 6.0 % before costs and 3.0 % after costs.

We may share part of the costs with the person selling you the product to cover the services they provide to you. They will inform you of the amount.

Composition of costs

One-off costs upon entry or exit		If you exit after 1 year
Entry costs	The entry costs amount to 3.00% (front-end load), which corresponds to a deduction of 2.91% of your investment amount. This is the maximum amount that can be withheld from your investment. The financial advisor will inform you about the actual value.	Up to 291 EUR
Exit costs	We do not charge an exit fee.	0 EUR
Ongoing costs taken each year		
Management fees and other administrative or operating costs	2.08% of the value of your investment per year. This is an estimate based on actual costs over the last year.	208 EUR
Transaction costs	0.26% of the value of your investment per year. This is an estimate of the costs incurred when we buy or sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	26 EUR
Incidental costs taken under specific conditions		
Performance fees (and carried interest)	0.02% of the value of your investment per year. The actual amount depends on how well your investment performs. The above estimate of cumulative cost includes the average of the last five years.	2 EUR

How long should I hold it and can I take money out early?

Due to the risk and return profile, we recommend a holding period of at least 5 years for this product.

You can, however, return the product in compliance with the return modalities stated in the sales prospectus. Early redemption can have a significant impact on the risk and return profile. The redemption may be temporarily suspended if there are circumstances which require a suspension and this is justified taking into account the interests of the investors.

How can I complain?

In case of complaints, you may contact ETHENEA Independent Investors S.A. in writing at 16, rue Gabriel Lippmann, L - 5365 Munsbach, Luxembourg or by e-mail at info@ethenea.com. Further information can also be found on the following website: www.ethenea.com. Complaints about the person advising on or selling the product may be addressed directly to that person.
