What is this product?**Type**

The Fund was incorporated as a société anonyme, an open-ended fund formed under the amended law of 17 December 2010 on undertakings for collective investment. It is an umbrella fund with multiple compartments, the Sub-Fund being one of these compartments. The Shares are a class of shares in the Sub-Fund.

Objective

This actively managed Sub-Fund aims to generate long-term capital growth in USD and has a sustainable investment objective within the meaning of Article 9 SFDR. More details can be found in the prospectus.

The Sub-Fund invests at least 80% of its net assets in equities, equity-like transferable securities, including depositary receipts, real estate equities and qualifying REITs issued by or for market-leading companies as described above. Emerging markets are, among others, countries included in the MSCI Emerging Markets Index. It may invest up to 35% of its assets via Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect in China A-Shares.

Type of approach: The Sub-Fund invest in securities that contribute towards the United Nations Sustainable Development Goals (UN SDGs). It invests in emerging market securities which the Investment Manager identifies as Sustainability Champions. Sustainability Champions are companies that: (i) contribute significantly to at least one of the UN SDGs as evaluated by the Investment Manager using its proprietary UN SDG evaluation framework; and (ii) pass a detailed evaluation of their environment, social and governance (ESG) operational performance using the Investment Manager's proprietary ESG framework; and (iii) comply with the extensive exclusion criteria that the Investment Manager has set to avoid investments in certain economic activities that are harmful to society and environment. **Threshold:** The Sub-Fund invests at least 80% of its net assets in sustainable investments. **Main methodological limits:** Deficient ESG third-party data and internal analyses may result in inaccurate assessments of securities or issuers. Also, relevant ESG criteria may not be applied correctly and there may be indirect investment exposure to issuers who do not meet the relevant criteria.

It may also hold up to 20% of its net assets in bank deposits at sight.

The Sub-Fund may use derivatives for hedging purposes.

Redemption of shares: daily when banks in Luxembourg are open for normal business (see prospectus for details and exceptions).

Any income generated will be reinvested and included in the value of your Shares.

The Sub-Fund is managed with reference to a benchmark. The portfolio manager has full investment discretion within the predefined investment limits.

I shares are exclusively reserved for institutional Investors.

Taking into consideration the minimum recommended holding period, the return will depend on the performance of the underlying investments.

The Fund's depositary is State Street Bank International GmbH, Luxembourg Branch.

This Sub-Fund is part of an umbrella fund. The various sub-funds are not liable for one another, i.e. only the gains and losses of this Sub-Fund are relevant for you as an investor. You can request the conversion of some or all of your Shares in the Sub-Fund in accordance with the "Conversion of Shares" section of the prospectus.

The sales prospectus, including pre-contractual SFDR disclosure, up-to-date semi-annual and annual reports, share prices and other practical information are available free of charge at www.vontobel.com/AM in English and German.

Intended Retail Investor

The Sub-Fund is intended for retail investors with knowledge and/or experience of these types of products, that have long-term investment horizon and that have the ability to bear losses up to the amount they have invested in the Sub-Fund.

Term

The Shares do not have a maturity date. The Product Manufacturer can terminate the Shares unilaterally. The Shares, the Sub-Fund and the Fund can be terminated early and liquidated in the cases set out in the prospectus and the articles of incorporation of the Fund.

The summary risk indicator (the “SRI”) is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

Be aware of currency risk. In some circumstances, you may receive payments in a different currency, so the final return you will get may depend on the exchange rate between the two currencies. This risk is not considered in the SRI.

The Product offers no capital guarantee against credit risk.

The unfavorable, moderate, and favorable scenarios shown are illustrations using the worst, average, and best performance of the product, a suitable benchmark and/or a proxy over the last 11 years.

This type of scenario occurred for an investment between: (Favourable: January 2016 - January 2022, Moderate: July 2016 - July 2022, Unfavourable: February 2021 - January 2025).

Losses are not covered by an investor compensation or guaranteed scheme.
